SCHEDULE XXXII - AUSTRIA [1]

This schedule is authentic only in the English language.

GENERAL NOTES

1. This schedule includes concessions Austria has agreed to in the Multilateral Trade Negotiations 1973-1979.
2. This schedule further includes all other actual GATT-concessions. The results of still pending negotiations under Article XXVIII will be reflected in the schedule after their completion. The respective concessions which will be withdrawn from the schedule are marked with "W".
3. (a) As a general rule two eighths of the total reduction to the final rate will be implemented on July 1, 1980; the remaining six eighths of the total reduction will be made effective in six equal annual stages beginning 1 January 1982.  
(b) This schedule has been drawn up on 30 June 1979. Should after this date other participants in these negotiations withhold, withdraw or defer the staging or implementa-

tion of concessions for certain items, Austria reserves its rights to take appropriate action.

(c) The implementation of the tariff reductions for items 28.20 B2, 32.05 A, 34.05 A and 38.19 C2b are, however, conditional on the entering into force for Austria and for its main trading partners of the Agreement on Implementation of Article VII of the General Agreement on Tariffs and Trade.

4. The tariff rates marked with "C" are conditional on the implementation and maintenance of certain commitments by certain of Austria's main trading partners. The tariff reductions will begin as soon as and will be maintained as long as these conditions are met.
5. In calculating the various stages of tariff reductions, fractions of ad valorem rates of more than 0,05 per cent ad valorem as well as fractions of specific rates of more than Schilling 0,05 shall be rounded up, in all other cases rounded off to the nearest decimal place.

2. Las reducciones arancelarias entrarán en vigor a partir de 1 de enero de 1980 terminando en 1 de enero de 1987, mediante un proceso que comprende ocho etapas anuales iguales. España se reserva el derecho de modificar o interrumpir estas concesiones si alguna Parte suspendiese la aplicación de esta regla.
3. Cuando se trata de consolidaciones de derechos (todas aquellas posiciones en las que no figura derecho base en la columna tercera), estas se aplicarán en la fecha final del período establecido para las reducciones.
4. Las cifras están consignadas en derechos "ad valorem" expresados en porcentaje, salvo algunos casos en que se establecen mínimos específicos (m.e.) o máximos específicos (M.E.), con o sin derechos "ad valorem".

Liste LIX - Suisse

(Le texte français de la présente Liste fait foi)

NOTE

La présente Liste est déposée et entrera en vigueur aux conditions énoncées au Protocole de Genève (1979) annexé à l'Accord général sur les tarifs douaniers et le commerce. La Suisse n'entend pas, en principe, déroger aux règles de ce Protocole. Elle se réserve cependant le droit de différer ou de suspendre l'entrée en vigueur et/ou l'échelonnement de ses réductions tarifaires en fonction des dispositions que pourraient prendre ses partenaires en la matière. Cette réserve concerne en particulier les produits suivants:

- textiles (chapitres 51 à 62 du tarif douanier suisse)
- acier (positions 7301 à 7320)
- céramique (chapitre 69 et position 8525.10)
- papier et carton kraft (positions 4801.62 et .64)
- produits chimiques (chapitres 29, 32 et 39).

La mise en oeuvre des concessions concernant les produits chimiques des chapitres 29, 32 et 39 est en outre subordonnée à la mise au point définitive des modalités du régime d'importations convenu avec les Etats-Unis.

La Suisse se réserve le droit d'arrondir et, le cas échéant, d'étaler ses tranches de réductions égales en fonction de considérations pratiques liées au faible montant absolu de certaines de ces réductions. Ce faisant, elle utilisera des méthodes généralement en usage dans le commerce et prendra soin de ne pas porter préjudice à ses partenaires.

Les dispositions de la présente Liste sont assujetties à la remarque générale figurant à la fin de la Liste annexée à la Déclaration concernant l'accession provisoire de la Confédération du 22.11.1958 (devenue Liste LIX annexée à l'Accord général).
